# It's a Gas!

Capone's has been a fixture in Coeur d'Alene since 1991, when Tom and Teresa Capone took an old gas station turned dive bar and transformed it into the sports and beer mecca that it is today. With an extreme selection of microbrews (41 on tap), excellent soups and sandwiches, the best pizza in town and a full liquor bar, Capone's is THE place to be for any sporting event, party or average evening out.

In 2006, Tom and Teresa took their winning combination to Post Falls and opened up the Post Falls store. Tragically, an act of arson destroyed their business, but with a lot of community support, hard work and determination, the Capone's re-opened in '08. Post Falls Capone's is now becoming the neighborhood go-to spot that the Coeur d'Alene store has always been.

Capone's Pub & Grill was featured on the Food Network's Diners, Drive-Ins and Dives show, as well as winning many local awards for beer, pizza, service and live music. The largest beer selection for miles around, 14 HDTV's and food choices for every palate make Capone's a destination for anyone. Anytime is a good time for Capone's!
